High School Graduation Requirements

Publication of Graduation Requirements

Prior to registering for high school, each student will be provided with a copy of the current graduation requirements. Graduation requirements shall also be included in the student handbook.

Credits

Students shall be expected to earn a total of 57 credits in order to complete graduation requirements. Special education students who have successfully completed their IEP leading to completion of high school will be awarded a diploma.

The core of instruction is **40 credits**:

Secondary Language Arts and Communication		13 credits
English (language study, composition, literature)	12 credits	
Speech or Debate	1 credit	
Mathematics		9 credits*
Algebra I (or meets Algebra I standards)	3 credits	
Geometry (or meets Geometry standards)	3 credits	
Secondary Mathematics of the student's choice	3 credits	

Dual credit engineering and computer science courses aligned to the state standards for grades 9 through 12, including AP Computer Science and dual credit computer Science courses may be counted as a mathematics credit if the student has completed Algebra II (or equivalent integrated mathematics) standards.

**Students who choose to take Computer Science and Dual Credit Engineering may not concurrently count such courses as both a mathematics and science credit.*

Science

Secondary Science		9 credits*
*(3 credits shall be laboratory sciences)		

Up to 2 credits in dual credit engineering and computer science courses aligned to the state standards for grade 9 through 12, including AP Computer Science, Dual Credit Computer Science, may be used as science credit.

**Students who choose to take computer science and Dual Credit Engineering may not concurrently count such courses as both a mathematics and science credit.*

Social Studies		5 credits
Government	2 credits	
US History	2 credits	
Economics	1 credit	
Arts and Humanities		3 credits
Interdisciplinary humanities, visual, and performing arts, or Foreign language		
Health/Wellness		1 credit*

Each student shall receive a minimum of 1 class period on psychomotor cardiopulmonary resuscitation (CPR) training as outlined in the American Heart Association (AHA) Guidelines for CPR to include the proper utilization of an automatic external defibrillator (AED) as part of the Health/Wellness course. Additionally, Students participating in one season in any sport recognized by the Idaho High School Activities Association or club sport recognized by the Charter School, or 18 weeks of a sport recognized by the School may choose to substitute participation for up to one credit of physical education.)

Middle School Credit

If a middle school student completes any required high school course with a grade of C or higher before entering the 9th grade, and if that course meets the same standards that are required in high school and the course is taught by a teacher certified to teach high school content, then the student has met the high school content area requirement for such course. The student shall be given a grade for the successful completion of that course and such grade and the number of credit hours assigned to the course shall be transferred to the student's high school transcript and the student's parent/guardian shall be notified in advance when credits are going to be transcribed. However, the student's parent/guardian may elect to not have the credits and grade transferred to the student's high school transcript. The student still must complete the required number of credits in all high school core subjects identified above in addition to the courses completed in middle school.

Senior Project

For the 2020/2021 school year, the Senior Project is not required. Thereafter, a student shall complete a senior project that includes a research paper and oral presentation by the end of grade 12. Senior projects may be multi-year projects, group or individual projects, or approved pre-internship or school to work internship programs at the discretion of the School. The project must include elements of research, development of a thesis using experiential learning or integrated project-based learning experiences, and a presentation of the outcome. **Additional requirements for the senior project are the discretion of the School.**

Completion of a postsecondary certificate or degree at the time of high school graduation or an approved pre-internship or internship program may be used to satisfy this requirement.

Idaho Standards Achievement Tests (ISAT)

In addition to obtaining the necessary credits as outlined above, a student will take the Idaho Student Achievement Test (ISAT) as defined by State Board of Education rules.

Civics Test

All secondary students must successfully pass the civics test or alternate path. "Civics test" as used herein means the 100 questions used by officers of the United States citizenship and immigration services as a basis for selecting the questions posed to applicants for naturalization.

Any student who participates in a United States Government and Politics course and an associated college credit-bearing examination shall be deemed to have met this requirement.

The Charter School will determine the method and manner in which to administer the civics test. A student may take the civics test, in whole or in part, at any time after enrolling in grade 7 and may repeat the test as often as necessary to pass the test. The School will document on the student's transcript that the student has passed the civics test.

The applicability of this requirement for students who receive special education services will be governed by the student's Individualized Education Plan.

Waiver of Requirement

Graduation requirements generally will not be waived under any circumstances. However, in rare and unique hardship circumstances, the Executive Director may approve minor deviation from the graduation requirements.

Alternative Programs

Credit toward graduation requirements may be granted for planned learning experiences from accredited programs, such as summer school, university courses, correspondence courses, and online/virtual courses, extended learning opportunities, and master-based education.

Credit for work experience may be offered when the work program is a part of and supervised by the Charter School.

All classes attempted at the Charter School and all acceptable transfer credits shall be recorded on the transcript. All grades earned, including failures and retakes, shall be recorded as such and utilized in the calculation of Grade Point Average and class rank. Credit shall be awarded only once, regardless of repetition of the course.

Honor Roll

A student must have a minimum grade-point average of _____ to be placed on the honor roll. Specific information regarding honors at graduation is included in the student handbook.

Class Rank (Grade Point Average)

Class Rank is compiled from term grades. Courses not eligible for GPA are designated with an asterisk on the report card.

Early Completion of Graduation Requirements

A student who completes all of the graduation requirements set forth above prior to the completion of eight terms of school attendance in grades 9 through 12 may petition the Executive Director and Board for early graduation by submitting such a petition to the Executive Director. The Executive Director shall submit the petition to the Board for endorsement and approval at the end of the quarter preceding the requested graduation date.

Early Achievement of College/Career Readiness and Flexible Schedule

A student may, at the student's option and upon notification to the School, be relieved from completing their remaining high school graduation requirements and apply for a flexible schedule or graduate early if the student:

1. Is at least 16 years of age;
2. Maintains a cumulative 3.5 grade point average;
3. Obtains permission from a parent/guardian, if under the age of 18;
4. Achieves a college and career readiness score;
5. Files the following with the school:
 - A. Notification of their intent to take a flexible schedule OR graduate early;
 - B. The student's participation portfolio; and
 - C. An essay of at least one page explaining why the student wishes to have a flexible schedule which must include the future plans using the flexible schedule OR early graduation;
6. Completes the following:
 - A. The required civics test;
 - B. The economics credit, government credits, and senior project required to graduate. A student's senior project may describe the student's experience in achieving a college and career readiness score and a detailed explanation of the student's future plan.

Students eligible for a flexible schedule may be relieved from high school graduation requirements in order to:

1. Take elective courses, career technical education programs, or courses selected by the student which are available at the School;
2. Participate in apprenticeships or internships;
3. Act as a tutor at any grade level; or
4. Engage in such other activities identified by the Board.

A student who is granted a flexible schedule must adhere to the plan submitted to the school as a part of their eligibility. Students who are under 18 may be modify their plan with the approval of the student's parent/guardian.

The Executive Director is authorized to create any procedures necessary to assist students to achieve early graduation or flexible schedules as well as create incentives for participation in any early graduation program. Students who opt for a flexible schedule may apply for Advanced Opportunities funding. Existing programs providing incentives to complete coursework early are described in Policy 2435 Advanced Opportunities.
