Learning Abroad

A student who is currently enrolled at the Charter School, and whose parent or guardian is relocated due to an academic sabbatical, employer or military transfer or reassignment, may qualify for Learning Abroad at the discretion of the board of directors and under the following conditions:

- The student will be accompanying the parent for less than one school year, beginning no earlier than January 1.
- The student will be living internationally.
- The student will be attending an International Baccalaureate (IB) school.

If these conditions are met, the student may remain enrolled at the Charter School and is treated as a returning student for the following school year.

If the student wishes to accompany the parent or guardian earlier than January 1, or if the student is away from the Charter School for more than one year, his/her seat may be filled by an applicant on the waiting list. The student would then have to re-enroll at the Charter School as a new student.
