Removal of Student During School Day

The Charter School must exercise a high order of responsibility for the care of students while they are in school. The removal of a student during the school day may be authorized in accordance with the following procedures:

1. Law enforcement officers, upon proper identification, may remove a student from the Charter School as provided in Policy 4410P.
2. Any other agencies must have a written administrative or court order directing the Charter School to give custody to them. Proper identification is required before the student shall be released.
3. A student shall be released to the custodial parent. When in doubt as to custodial rights, Charter School enrollment records must be relied upon, as the parents/guardians have the burden of furnishing the Charter School with accurate, up-to-date information.
4. The Charter School should always check with the custodial parent before releasing the student to a non-custodial parent.
5. Prior written authorization from the custodial parent or guardian is required before releasing a student into someone else's custody, unless an emergency situation justifies a waiver.
6. Police should be called if a visitor becomes disruptive or abusive.
