Personnel Files

The Charter School maintains a complete personnel record for every employee, certificated and classified. Much of the information contained in employee personnel files is confidential and access to such files should be limited to the Executive Director, principal, supervisor, the employee, the employee's designee or representative, and Idaho public schools requesting information based upon Idaho Code for hiring.

A log of those persons other than the Executive Director, principal, or other administrative staff will be kept indicating the date and time of inspection; name of person requesting access; description of the records copied, if any; and the initials of the person providing the access and/or copies requested. In accordance with federal law, the Charter School shall release information regarding the professional qualifications and degrees of teachers and the qualifications of paraprofessionals to parents upon request, for any teacher or paraprofessional who is employed by a school receiving Title I funds, and who provides instruction to their child at that school. Access to other information contained in the personnel records of Charter School employees is governed by Policy 4260 Records Available to the Public.

Not later than 20 days after receiving a request from another Idaho public school, the Charter School shall release information regarding job performance or job-related conduct, as defined by Idaho Code, to the Idaho public school requesting such information for hiring purposes. See Policy 5100 Hiring Process and Criteria and Procedure 5100P1 Procedures for Obtaining Personnel Records for Applicants.

19. Any information relevant to the evaluation of the employee.

The file may contain notes and observations. Letters of recommendation will be kept in a separate, sealed file maintained by the Executive Director or a separate, sealed portion of the personnel file. Personal notes of supervisors should be placed in the personnel file, if they are relevant to the evaluation of the employee.

Each employee will be provided written notice of all materials placed in an employee's personnel file. Notice shall be provided within ten days of placement of information in the employee's file or, if possible, presented to the employee prior to placement in the file. An employee will have the opportunity to attach a rebuttal to any information placed in the employee's personnel file. An employee will have 21 days from the date of written notice of placement to attach a statement or notification of rebuttal.

Upon request, an employee or the employee's designee or representative will have access to the employee's personnel file, with the exception of letters of recommendation, and will be provided copies, upon request within a reasonable period of time. The request, inspection, and/or copying of the file will be logged indicating the date and time; name of the person requesting access; description of the records copied, if any; and the initials of the person providing the access and/or copies requested.
